EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William M Hanlon, Jr. (28,422) on July 10, 2003.

The application has been amended as follows:

Claim 5:

Delete "at least as far as" and add - - beyond - -, line 8.

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, 5 and 8 (and dependent claims 2-4, 7):

The claimed structure of a printed circuit board wherein the first area carrying input circuit component separated by a channel shape recess, wherein the channel shape recess extend beyond a moisture-impervious barrier layer which underlies the first area of the board and the channel shaped recess and the first area are filled and enclosed by a moisture impermeable sealing material, has not been disclosed by the prior art alone or in combination.

Regarding claim 6:

The claimed structure of a printed circuit board wherein the first area carrying input circuit component separated by a channel shape recess, wherein the channel shape extend at least as far as a moisture-impervious barrier layer which underlies the first area of the board and the channel shaped recess and the first area are filled and enclosed by a moisture impermeable sealing material, and the wall of the printed circuit board bordering the channel shape recess coated with a metal alloy coating, has not been disclosed by the prior art alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
